

Backend and DevOps engineer specializing in microservices architecture, distributed systems, and cloud native infrastructure. Experienced in building scalable backend APIs, event-driven systems, and containerized deployments using modern engineering practices.

Technical Skills

Frontend	React.js, Next.js, JavaScript, TypeScript, HTML, CSS
Backend	Node.js, Express.js, Spring Boot, Spring AI, REST APIs, Microservices Architecture
Databases	MongoDB, PostgreSQL, SQL, Redis
DevOps & Cloud	Docker, Kubernetes, CI/CD, Containerized Deployments
Distributed Systems	Apache Kafka, Event Streaming, Microservices Communication
Programming	Java, C, C++, Data Structures & Algorithms

Experience

Full-Stack Developer Intern — Ayurherb (Remote) | 2025

- Built and deployed multiple company websites using modern web technologies.
- Developed both frontend and backend features to support business requirements.
- Maintained websites and improved performance and reliability.

Web Development Lead — GDG (Google Developers Group), DAVV Indore | 2024–2025

- Developed and maintained the official GDG website.
- Collaborated with organizing teams to support developer events and technical sessions.
- Managed deployments and feature updates for community platforms.

Projects

Staylio

Backend system for an Airbnb style accommodation platform handling property listings, booking workflows, authentication, and reservation management using scalable APIs. (Spring Boot, PostgreSQL, JWT)

Sphere

Distributed backend system for a professional networking platform using microservices, API gateway routing, and containerized deployments. (Spring Boot, Kafka, Redis, PostgreSQL)

ECom

Scalable ecommerce backend managing product catalogs, order workflows, inventory updates, and secure authentication. (Spring Boot, Kafka, Redis, WebSockets)

Krishi-Setu

AI powered agricultural assistance backend integrating ML APIs to process farmer queries through scalable services. (Spring Boot, MySQL)

Education

Devi Ahilya Vishwavidyalaya (DAVV), Indore | Aug 2023 – Present

M.Tech (Integrated) – Artificial Intelligence & Data Science

Maharishi Vidya Mandir, Chhatarpur | 2023

Higher Secondary (Class XII) – 84.6%

Takshashila Public Model High School, Chhatarpur | 2021

Secondary School (Class X) – 87.8%
